Dear 1,000 club Member no.

Thank you for supporting our 1,000 Club. We have now been running several years and thanks to your support have raised much needed funds to help unwanted animals.

We are sorry if you have not been lucky enough to win a prize in one of our monthly draws but **CONGRATULATIONS** to all our winners who have won between £50-£1,000 each. Of course the overall winners in the 1,000 Club are the animals at Last Chance and we hope you will consider continuing to help them in this way so we can maintain and hopefully increase our membership.

To continue your support of Last Chance please complete and return the form below and once again thank you for helping us in this way.

Best wishes
Avis Hakes, trustee
